UPCOMING EVENTS

Church Center: New Online Giving Platform

Beginning this month we have a new platform, Church Center, for online giving. This is going to make online giving more convenient, accessible, and user friendly. It will also give us some options for special events and registrations, as well as many features completely separate from finance. Best of all, it will be cost neutral or potentially even provide a cost savings by reducing bookkeeping hours.

If you do NOT currently give via the Covenant Giving Portal:

- You don't need to do anything.
- BUT consider downloading the app anyway. We will use it for event registration, and you also have an easy option for online giving if you so choose.

If you DO currently give via the Covenant Giving Portal:

- ***Please take 5 minutes to access the new portal.*** You can also choose to cancel your previous recurring payments at this time.
- You can choose to do this via web browser or the Church Center App.
